

**Journal of the Indian Institute of Science
Bangalore 560 012 India**

(Section A: Engineering and Technology)

Volume 65

October 1984

Number 10

CONTENTS

Water Resources

M.S. Mohan Kumar K. Sridharan and N.S. Lakshmana Rao	Picard iterative methods for steady nonlinear ground water flow analysis	117
--	---	-----

Communication Engineering

O.M. Salem and B.S. Sonde	A new companding DAC for PCM telephone codecs	129
------------------------------	---	-----

Short Communication

Instrumentation

S. Chaudhuri	Development of a rocket payload with wire sensor for the measurement of upper air temperature	143
--------------	--	-----

Book Reviews		149
---------------------	--	-----

INDEX		173
--------------	--	-----
