

**Journal of the Indian Institute of Science
Bangalore 560 012, India**

Volume 67

Jan.-Feb. 1987

Numbers 1 & 2

CONTENTS

Drug Design

- Boray S. Sudhindra Self-consistent molecular modelling approach for receptor identification and drug design: Basis and data base needs 1

Reproductive Biology

- Ch. Narasimha Rao Histology of the male reproductive system of the prawn *Macrobrachium* 29
Katre Shakuntala and
S. Ravichandra Reddy *lanchesteri* (Crustacea: Decapoda)

Short Communications

Biochemistry

- S. Malathi and Studies on the isolation of glucose-6- 43
E.R.B. Shanmugasundaram phosphate dehydrogenase from *Aspergillus nidulans*

Toxicology

- V. Pandiyan Serum electrolytes and glycoprotein 47
S. Meerarani and changes during penicillic acid toxicosis
E.R.B. Shanmugasundaram

- IISc Theses Abstracts** 51

- Book Reviews** 65
