

**Journal of the Indian Institute of Science
Bangalore 560 012, India**

Volume 69

March-April 1989

Number 2

CONTENTS

Hydrazine Chemistry

- | | | |
|---|---|-----|
| J. J. Vittal, V. B. Angadi and K. C. Patil | Reactivity of hydrazinium hydrazine- carboxylate—synthesis of 4-amino-3, 5- dimethyl-1, 2, 4-triazole | 119 |
| K. Syed Mohamed and D. K. Padma | Novel synthesis, characterization and thermal degradation of hydrazinium hexa- fluorophosphate | 125 |

Inorganic Chemistry

- | | | |
|--|--|-----|
| S. P. Ranga, Shobha Sharma, Santwana Gaur and R. K. Mehta | Rare-earth chelates of o-(N- α -thio- phenaldimino) phenol—synthesis and characterization | 131 |
|--|--|-----|

Thermodynamics

- | | | |
|-------------------------------|--|-----|
| S. Kalyani and D. N. Seshadri | Application of Lennard-Jones (<i>n, m</i>) potential to pure gases and gaseous mixtures | 137 |
|-------------------------------|--|-----|

- | | | |
|------------------------------|--|-----|
| IISc Theses Abstracts | | 143 |
|------------------------------|--|-----|

- | | | |
|---------------------|--|-----|
| Book Reviews | | 167 |
|---------------------|--|-----|
