

CONTENTS

Vol. 18 (A)—1935

	PAGE
Part I.—A New Enzyme Preparation. By M. Srinivasan and M. Sreenivasaya	1
Part II.—Extraction of Sap from Plant Tissues By S. Rajagopal and A. V. Varadaraja Iyengar	7
Part III.—Isolation and Characteristics of A New Species of Rhodococcus (<i>R. nuciferii</i>). By A. V. Varadaraja Iyengar	11
Part IV.—Addendum to the Paper 'Indian Coal 'Tar'. (<i>This Journal</i> , 1933, 16A, 185-192.) By B. Jagannath Hegde, B. Sanjiva Rao and P. C. Guha	15
Part V.—The Fixed Oil from the Seeds of <i>Amoora rohituka</i> (W. & A.) By P. Ramaswami Ayyar and V. A. Patwardhan	19
Part VI.—Determination of Nitrogen in Soils. Part V.—Estimation of Total Nitrogen to include Nitrates. By A. Sreenivasan	25
Part VII.—Studies in the Proteins of Indian Foodstuffs. Part VI.—The Globulins of the Cowpea (<i>Vigna catiung</i> , Walp.) By (Miss) K. Bhagvat	39
Part VIII.—Preservation of Wood. Part I.—Treatment with Creosote-Water Emulsion. By C. Varadhan and Keshaviah Aswath Narain Rao	49
Part IX.—Biochemistry of the Spike-Disease of <i>Vinca rosea</i> , Linn. By A. V. Varadaraja Iyengar	61
Part X.—Studies in Tantalum and Niobium. Part I.—Analysis of Mixtures of Pentoxides of Niobium and Tantalum. By K. R. Krishnaswami and D. Suryanarayana Murthi	69
Part XI.—Hydrogen Ion Concentration of Lead Solutions. By D. N. Mehta and S. K. Kulkarni Jatkar	75
Part XII.—Studies in Antimony Electrode. By D. N. Mehta and S. K. Kulkarni Jatkar	85
Part XIII.—pH Control of Rotary Drilling Fluids. By D. N. Mehta and S. K. Kulkarni Jatkar	101

	PAGE
Part XIV.—Study of the Bismuth Electrode. By D. N. Mehta and S. K. Kulkarni Jatkari	109
Part XV.—The Estimation of Acetone in Methyl and Ethyl Alcohol. By S. D. Sunawala and M. C. T. Katti	115
Part XVI.—The Steric Factor in Organic Chemical Reactions. Part I.—Influence of Esterification on the Mode of Addition of Bromine to β -Phenyl-Propionic Acid. By P. Ramaswami Ayyar	123
Part XVII.—Studies in Indian Essential Oils. VII.—Essential Oil from the Flower-Heads and Stalks of <i>Cymbopogon Polyneurus</i> , Stapf. By M. S. Kotnis and B. Sanjiva Rao. A Note on the Essential Oil from the Rhizomes of <i>Rheum Emodi</i> , Wall. By M. Ghouse Mohiuddin	129
Part XVIII.—Studies in the Proteins of Indian Foodstuffs. VII.—Globulins of the Aconite Bean. (<i>P. aconitifolius</i> Jacq.) VIII.—On the Heat Coagulation of Globulins from <i>Vigna catieng</i> , Walp., & <i>P. aconitifolius</i> , Jacq. By (Miss) K. Bhagvat	137
