

## **THE SANDAL SEED, ITS OIL AND PROTEINS.**

*By Motnahalli Sreenivasaya and Nuggchalli Narayana.*

## **STUDIES IN THE PROTEINS OF INDIAN FOODSTUFFS.**

### **PART IX. DIGESTIBILITY OF THE GLOBULINS FROM COWPEA (*VIGNA CATIANG*, WALP.) AND ACONITE BEAN (*P. ACONITIFOLIUS*, JACQ.)**

*By Miss K. Bhagvat and M. Sreenivasaya.*

## **STUDIES ON STARCHES FROM INDIGENOUS GRAINS AND TUBERS.**

### **PART II. JOWAR STARCH.**

*By H. P. Das Gupta.*

## **STUDIES ON STARCHES FROM INDIGENOUS GRAINS AND TUBERS.**

### **PART III. RAGI STARCH.**

*By H. P. Das Gupta.*

## **STUDIES ON STARCHES FROM INDIGENOUS GRAINS AND TUBERS.**

### **PART IV. CASSAVA STARCH.**

*By H. P. Das Gupta.*

## **PART V. STARCHES FROM DIFFERENT VARIETIES OF RICE.**

*By H. P. Das Gupta.*

## **PART VI. USE OF TINTOMETER IN THE STUDY OF THE DEGRADATION PRODUCTS OF STARCH.**

*By H. P. Das Gupta.*

## **DETERMINATION OF CARBONATE, ORGANIC CARBON AND TOTAL NITROGEN IN THE SAME SAMPLE.**

*By T. R. Bhaskaran, C. R. Harihara Iyer, R. Rajagopalan and  
V. Subrahmanyam.*

**A NEW METHOD OF DETECTION OF CEREAL  
FLOURS SEPARATELY AND IN MIXTURES  
BY THE "AGAR-PLATE" METHOD.**

*By P. N. Bhargava and K. Venkata Giri.*

**DETERMINATION OF MANGANESE IN SOILS.**

*By C. R. Harihara Iyer and R. Rajagopalan.*

**STUDIES IN THE PROTEINS OF INDIAN  
FOODSTUFFS.**

**PART X. 'IN VITRO' DIGESTIONS OF THE GLOBULINS  
FROM ACONITE BEAN (*P. ACONITIFOLIUS*, JACQ.)  
AND BENGAL GRAM (*CICER ARIETINIUM*, LINN.).**

*By Kamala Bhagvat.*
