

# TITLE INDEX

Vol. 53 (1971)

	PAGE
Buckling Coefficients of Variously Supported Skew Plates. (Prabhu and Durvasula) . . . . .	28
Computation of Matrix Inverse by a Power Series Method. (Syamal Kumar Sen) . . . . .	43
Diffraction and Backscattering of Electromagnetic Waves by Circular Dielectric Discs at X-Band. (Ramachandrasah and Chatterjee) . .	177
Ethanol Dehydration over Shevaroy Bauxite. (Pant, Subrahmanyam, Chanda and Ghosh) . . . . .	56
Flow of a Power Law Fluid in a Rotating Straight Pipe. II. Heat Transfer. Kanaka Raju) . . . . .	141
Formation of Hydroquinone-Dithsulphur Monoxide Clathrate. (Narayanan Kutty, Sharma and Vasudevamurthy) . . . . .	154
Genetic Studies in Mycobacteria: Isolation of Auxotrophs and Mycobacteriophages for <i>Mycobacterium smegmatis</i> and their use in Transduction. (Sunder Raj and Ramakrishnan) . . . . .	126
N.M.R. Study of Internal Motions in Zinc Fluorosilicate Hexahydrate. (Muthukrishnan and Ramakrishna) . . . . .	327
A New Correlation to Predict Critical Volume. (Bhagavant Rao, Viswanath and Kuloor) . . . . .	99
Nonlinear Transverse Oscillations in Travelling Strings by a Direct Linearisation Method. (Achyuta Rao Bapat and Srinivasan) . .	120
A Note on the Hot Wire Method for Measuring Heat Capacity of Gases at Low Pressures. (Govindarajan and Gopal) . . . . .	21
Numerical Differential by Extrapolation. (Manas Chanda and Syamal Kumar Sen) . . . . .	51
A Process for the Selection of Over-relaxation Factor $\omega$ and the related computation for $\vec{A}x = \vec{B}$ . (Manas Chanda and Syamal Kumar Sen) . .	111
Propagation of long Waves of Finite Amplitude. (Sachdev) . . . . .	1
Raman Spectra of 1,2-Dichloroethane and 2-chloroethanol. (Selvarajan and Krishnan) . . . . .	13
A Second Order Process for Solving Polynomial Equations. (Syamal Kumar Sen) . . . . .	169

Step Function Response of Nonlinear Spring Mass Systems Taking into Account the Static Deflection (Bapat and Srinivasan) . . . . .	232
Studies in Terpenoids—XIX. Conversion of 7-Hydroxycalamenene and Cadalene to Mansonone C. (Jose Alexander and Krishna Rao) . . . . .	206
Surface Wave Characteristics of Cylindrical Metallic Corrugated Structure Excited in $E_g$ -Mode. (Girija and Chatterjee) . . . . .	269
Theoretical Studies on Sommerfeld Surface Wave Resonator. (Chatterjee Girija, Rukmini and Glory John Narasimhan) . . . . .	63
Theory of Open Microwave Resonator with an Axial Corrugated Metal Rod. (Prabhavathi and Chatterjee) . . . . .	333
Triangular Decompositions and their Applications in Solving Equations. (Syamal Kumar Sen) . . . . .	160
Vacuum Adiabatic Calorimeter for Specific Heat Studies, especially in their Critical Region. (Gopal, Gambhir, Govindarajan and Viswanathan). . . . .	355
Vibration and Buckling of Orthotropic Skew Plates. (Durvasula, Nair and Prabhu) . . . . .	209

# LIVESTOCK

(Including Poultry)

Supplement to

THE WEALTH OF INDIA

RAW MATERIALS : Vol. VI (L-M)

Contains sections on Cattle and Buffaloes, Sheep, Goats, Pigs, Horses and Ponies, Donkeys and Mules, Camels, Yaks and Poultry.

Covers all important aspects of Livestock and Poultry such as breeds and breeding; feeds and feeding; diseases; products obtained, with data relating to production, utilization, export and import; and chemical composition, preservation and processing of milk and milk products, meat products, by-products, etc.

An exhaustive bibliography and a comprehensive index are also included.

This volume is useful as a reference book for research workers as well as those interested in livestock improvement in India and elsewhere.

*Pages 288 + demy 4to, 6 colour plates + 30 text figures*

Price Rs. 60 00, Sh. 120, \$ 18 00

*Copies can be had from :*

# Tables of the Incomplete Beta Function for Small Values of the Parameters

By

Miss SWARNALATA PRABHU

Tables of the Incomplete Beta Functions

$$B_x(p, q) = \int_0^x u^{p-1} (1-u)^{q-1} du,$$

for small values of the parameters  $p$  and  $q$ , namely

$$p, q = 0.02 \text{ (0.02) } 0.5, \quad x = 0.01 \text{ (0.01) } 0.5$$

have been compiled with the accuracy of six significant figures

Number of pages : 250

Price : Rs. 20.00 ; Sh 25 ; \$ 3.5  
(inclusive of postage)
