

TITLE INDEX

Volume 42 (1960)

	PAGE
Abstracts	23, 96, 119
Differential Staining of the Cell Organelles of <i>Allium cepa</i> using a New Fixative and a New Stain (S. Subramanyam)	85
Efficacy of <i>Lohasava</i> Against Experimental Anaemia (V. G. Pradhan and J. V. Bhat)	1
Effect of Vitamin B ₁₂ on Blood and Tissue Regeneration in Phenylhydrazine induced Haemolytic Anaemia [(Mrs.) V. V. Chiplunkar, A. S. Ramaswamy and M. Sirsi]	108
Elastic Behaviour of Matter under very High Pressures—Considerations of Instability (E. V. Chelam)	101
Elastic Behaviour of Matter under very High Pressures—General Deformation (S. Bhagavantam and E. V. Chelam)	29
Elastic Behaviour of Matter under very High Pressures—Simple Shear (E. V. Chelam)	41
Inorganic Circular Paper Chromatography—Separation of Alkali Metals (A. R. Vasudeva Murthy and V. A. Narayan)	51
Microbiological Evaluation of Heart Proteins using <i>Corynebacterium Carotenogenum</i> (V. G. Pradhan and J. V. Bhat)	47
Microbiological Evaluation of <i>Lohasava</i> (V. G. Pradhan and J. V. Bhat)	11
Note on the Effect of Bevelling on the Coupled Thickness-shear Flexure Vibrations of Crystalline Plates (E. S. Rajagopal and E. S. Ramamurthy)	56
Nutritional Status of Graft Mulberry (R. S. Venkataramana and J. V. Bhat)	114
Phased Injection in Diesel Engines (Y. M. Balakrishna and K. Mahadevan)	66
Respiratory Characteristics of <i>Mycobacterium Lacticola</i> O ₁₁ (P. R. J. Gangadharam and M. Sirsi)	7
Van Der Waal's Interaction of Particles (R. Sankar)	17
