

**TITLE INDEX**  
**Volume 43 (1961)**

	PAGE
Ageing Characteristics of some Ternary and Quarternary Alloys Based on Indian Commercial Aluminium. (J. Ramesam and T. R. Anantharaman)	158
Carbonyl Stretching Vibrations and Electronic Transitions due to Non-bonding Electrons in Saturated Ring Ketones. (C. N. R. Rao, C. K. Goldman and J. Ramachandran)	10
Composite describing function of Successive Non-Linear Components in Feed Back-Control Systems. [(Mrs.) C. Lakshmi Bai]	52
Describing Function for Successive Non-Linearities. (B. L. Deekshatulu)	202
Flame Speeds in Oscillating Gases in a Tube. (K. Krishna Prasad, K. Mahadevan and H. A. Havemann)	26
Hydromagnetic waves in a Compressible Fluid. (C. Devanathan and P. L. Bhatnagar)	179
Microbial Decomposition of Pectic Substances. (M. H. Bilimoria and J. V. Bhat)	16
On the Nature of the Boundry Layer near the Leading Edge of a Flat Plate with Uniform Suction. (A. C. Jain)	170
On the Stability of a Rigidly Rotating Liquid Column with Axial Magnectic Field. (B. B. Chakroborty)	122
Sensitivity of <i>Corynebacterium Carotenogenum</i> to Vitamin B <sub>12</sub> . (V. G. Pradhan and J. V. Bhat)	195
Studies on the Basic Carbonates of Nickel. Part I. Factors Influencing the Precipitation of Nickel Carbonates. (R. M. Mallya and A. R. Vasudeva Murthy)	44
Studies on the Basic Carbonates of Nickel. Part II Hydrated Basic Nickel Carbonates. (R. M. Mallya and A. R Vasudeva Murthy)	65
Studies on the Basic Carbonates of Nickel. Part III. Potentiometric Study of Precipitation. (R. M. Mallya and A. R. Vasudeva Murthy)	76
Studies on the Basic Carbonates of Nickel. Part IV. Preparation of Basic Nickel Carbonates and their Differential Thermal Analysis. (R. M. Mallya and A. R. Vasudeva Murthy)	87

- Studies on the Basic Carbonates of Nickel. Part V. Thermogravimetric Behaviour of Basic Nickel Carbonates. (R. M. Mallya and A. R. Vasudeva Murthy) . . . . . 131
- Studies on the Basic Carbonates of Nickel. Part VI. Thermal Decomposition of Basic Nickel Carbonates in Vacuum and in the nature of the Surfaces. (R. M. Mallya and A. R. Vasudeva Murthy) . . 141
- Studies on the Basic Carbonates of Nickel. Part VII. Formation and Configurations of Basic Nickel Carbonates. (R. M. Mallya and A. R. Vasudeva Murthy) . . . . . 148
- Studies on Cosmic Radio Noise at Bangalore—Some Special Features. (S. Bhagavantam, M. Krishnamurthi and S. Ramakrishna) . . 97
- Studies on Microbial Metabolism of Myo-Inositol. Part I. Noncyclic Pathway of Myo-Inositol Breakdown by *Xanthomonas panicci*. (V. N. Paranjapye and J. V. Bhat) . . . . . 104
- Studies on the Occurrence, Changes during Germination and distribuion of the Flavin Nucleotide Coenzymes. (N. Appaji Rao, H. R. Cama and S. A. Kumar) . . . . . 1.
