

TITLE INDEX
Volume 44 (1962)

	PAGE
Biotin-Folic Acid Interrelationship: a Re-evaluation. (F. F. Dias, M. H. Bilimoria and J. V. Bhat)	121
<i>Corynebacterium Barkeri</i> , nov. spec., A Pectinolytic Bacterium Exhibiting a Biotin-Folic Acid Interrelationship. (F. F. Dias, M. H. Bilimoria and J. V. Bhat)	59
Equal Area Method of Evaluating the Describing Function. (B. L. Deekshatulu)	77
Physico-chemical Investigations on the Basic Carbonate of Cobalt. (D. S. Bharadwaj and A. R. Vasudeva Murthy)	68
Propagation of Microwaves on a Single Wire—Part III. (V. Subrahmanyam)	27
Propagation of Microwaves on a Single Wire—Part IV. (V. Subrahmanyam)	122
Microbial Decomposition of Pectic Substances—Part II. The role of yeasts in the process with particular reference to a polygalacturonase producing <i>Cryptococcus laurentii</i> . (M. H. Bilimoria and J. V. Bhat).	15
Reaction between Disulphur Monoxide and Piperidine in Organic Solvents. (Miss. K. Sharada and A. R. Vasudeva Murthy)	49
Secondary Flows Induced in a Non-Newtonian Fluid between Two Parallel Infinite Oscillating Planes. (P. L. Bhatnagar and Miss. G. K. Rajeswari)	219
Some Investigations on Dielectric Rod Aerials—Part V. (H. R. Ramanujam and Mrs. R. Chatterjee)	164
Some Investigations on Dielectric Rod Aerials—Part VI. (H. R. Ramanujam and Mrs. R. Chatterjee)	203
Some Theoretical Investigation in Dielectric Rod Wave Guide. (V. Subrahmaniam)	148
Studies in Cosmic Radio Noise at Bangalore. (M. Krishnamurthi and S. Ramakrishna)	1
Studies on Soil Bacteria Decomposing Glycerol—Part I. Isolation, identification and test for glycerol decomposition by different bacteria. (Y. I. Shethna and J. V. Bhat)	8
	241

	PAGE
Studies on Soil Bacteria Decomposing Glycerol—Part II: Metabolism of Streptomyces and Azotobactor species (Y. I. Shethna and J. V. Bhat)	141
Study of the Transient Stability Problem. (H. N. Ramachandra Rao and N. Dharma Rao)	91
Torque Roll Axis and its influence on Automotive Engine Mountings. (Kailash Nath Gupta and M. R. Krishnamurthy Rao)	104
