

**Journal of the Indian Institute of Science  
Bangalore 560 012, India**

*Volume 66*

*July 1986*

*Number 7*

**CONTENTS**

**Thermophysical Properties**

- |  |   |     |
|--|---|-----|
| J. Prabhakar,<br>K. Ashok Kumar,<br>V. Narayana Swamy,<br>M. Venkateswara Rao and<br>D.H.L. Prasad | Thermophysical properties of alkyl-<br>benzenechloroethane systems—Viscosity<br>and surface tension | 449 |
|--|---|-----|

**Analysis**

- |                              |   |     |
|------------------------------|---|-----|
| T.K. Deb and<br>S. De Sarkar | On points of $k$ th absolute continuity | 457 |
|------------------------------|---|-----|

**Aquatic Biology**

- |  |  |     |
|--|--|-----|
| Maria Grzybkowska,<br>Daria Pakulska,<br>Henryk Jakubowski and<br>S. Ravichandra Reddy | Diel periodicity of benthos in riffle regions<br>of polluted Widawka river, Poland | 465 |
|--|--|-----|

**Short Communication**

**Aquatic Biology**

- |   |  |     |
|---|--|-----|
| Vir K. Koul,<br>D.P. Zubshi and<br>K.P. Dubey | Seasonal changes in carbohydrate con-<br>tent of three Kashmir lakes | 475 |
|---|--|-----|

- |                              |  |            |
|------------------------------|--|------------|
| <b>IISc Theses Abstracts</b> |  | <b>481</b> |
|------------------------------|--|------------|

- |                     |  |            |
|---------------------|--|------------|
| <b>Book Reviews</b> |  | <b>495</b> |
|---------------------|--|------------|
