

List of Parts, Volume 14 (A) of the Journal

OF THE

Indian Institute of Science, with prices.

- Part I.—Studies on the Chemical Composition and Physical Properties of Plant Tissue Fluids. Part I. Effects of Age and Environment on the Tissue Fluids of French Beans (*Phaseolus vulgaris*). By C. Narasimha Acharya and B. N. Sastri. Price, As. 12.
- Part II.—The Photochemical Oxidation of Organic Hydrocarbons. Part II. Toluene, and the Oxidation of Benzaldehyde. By C. J. Kothari and H. E. Watson. Price, Rs. 1-4.
- Part III.—Cantharidin from *Mylabris pustulata* Fb., India. By B. H. Iyer and P. C. Guha. II. The Fatty Acids from Oil of Cantharis (*Mylabris pustulata* Fb., India). By B. H. Iyer and P. Ramaswami Ayyar. Price, Re. 1.
- Part IV.—I. Amylase from Rice. II. Dialysis of Some Cereal Amylases. By Vinayak Narayan Patwardhan and Dattatreya Vishnu Karmarkar. Price, As. 12.
- Part V.—Contributions to the Study of Spike-Disease of Sandal (*Santalum album*, Linn.). Part XII. Ecology of Sandal. By M. Sreenivasaya and S. Rangaswami. Price, As. 8.
- Part VI.—Studies in Electro-Culture. Part I. Introduction. By K. Venkata Giri, T. J. Mirchandani and V. Subrahmanyam. Studies in Electro-Culture. Part II. Influence of Electrical Treatment on the Germination of Barley and the Diastatic Activity of Malt. By K. Venkata Giri and V. Subrahmanyam. Price, Rs. 2.
- Part VII.—The Origin and Nature of the Peaty Soils of Travancore. By T. R. Narayana Pillai and V. Subrahmanyam. Price, Re. 1.
- Part VIII.—The Relation between Seeds and Micro-Organisms. By T. R. Sathe and V. Subrahmanyam. Price, Rs. 1-4.
- Part IX.—The Reactivity of Dimethyldihydroresorcin. Part I. Condensation with Aromatic Aldehydes. By Gopal Chandra Chakravarti, Haripada Chattopadhyaya and Prafulla Chandra Ghosh. Price, Re. 1.
- Part X.—The Reactivity of Dimethyldihydroresorcin. Part II. Behaviour towards ortho-Nitro- and ortho-Aminobenzaldehydes. By B. H. Iyer and G. C. Chakravarti. Price, Re. 1.
