

**Journal of the Indian Institute of Science
Bangalore 560 012, India**

Volume 73

November–December 1993

Number 6

CONTENTS

Integral Equations

- | | | |
|-------------------------------------|--|-----|
| Nanigopal Mandal and
B.N. Mandal | On some dual integral equations
involving Legendre and associated
Legendre functions | 565 |
|-------------------------------------|--|-----|

Fluid Mechanics

- | | | |
|---------------------------|--|-----|
| A.K. Dhar and
K.P. Das | Effect of capillarity on fourth-order
nonlinear evolution equations for two
Stokes wave trains in deep water | 579 |
|---------------------------|--|-----|

Differential Geometry

- | | | |
|---------------------------------------|--------------------------------------|-----|
| M. Tarafdar and
Musa A.A. Jawarneh | Semi-pseudo Ricci symmetric manifold | 591 |
|---------------------------------------|--------------------------------------|-----|

- | | | |
|------------------------------|--|-----|
| IISc Theses Abstracts | | 599 |
|------------------------------|--|-----|

- | | | |
|---------------------|--|-----|
| Book Reviews | | 655 |
|---------------------|--|-----|
