

**Journal of the Indian Institute of Science
Bangalore 560 012, India**

Volume 71

May-June 1991

Number 3

CONTENTS

Spectral Theory

N. K. Chakravarty and
Sudip Kumar Acharyya

On an inverse problem involving a second-
order differential system 239

Power Electronics

S. Chattopadhyay and
V. Ramanarayanan

A personal computer-based analysis and
evaluation system for switch-mode power
converters 259

Short Communications

Algebra

K. Raghavan

Square root of the Boolean Matrix $J - I$ 271

Lasers

Ramani Seshamani and
T. K. Alex

Method for calculating the transmitter pulse
energy for a laser altimeter 277

IISc Theses Abstracts

283
