

Special Issues on Intelligent Systems-1&2

List of contributions

Contents

Volume 76

November-December 1996

Number 6

- | | |
|--|--|
| Vadhri Srinivas,
B. Shekar
and M. R. Rao | Intuitive modeling of inter-causal relationships based on cognitive experiments |
| M. C. Mathur | Cross-entropy measure for precedent case selection in case-based reasoning (CBR) |
| G. Uma and
T. Siva Perraju | Distributed problem solving in time-constrained domains |
| H. N. Mahabala,
G. Raviprakash,
B. Jayanthi,
V. V. Managoli,
S. Neethi,
R. Janakiraman,
V. Krishnamurthy and
V. Seshagiri Rao | Knowledge-based range safety advisor |
| Kamalini Martin,
A. S. Ganeshan and
H. N. Shivasankar | A knowledge-based design environment for spacecraft |
| Anupam Basu, S. Sarkar,
A. K. Majumdar and
K. A. Rao | SRT: A knowledge engineering tool for scene recognition |
| R. Veena Vani, K. Jairam
Hebbar and P. Subhadra | AMUS-An automatic map-understanding system |
| G. Prem Kumar
and P. Venkataram | Realistic abductive reasoning-based fault and performance management in communication networks |

- B. Subudhi and
A. K. Swain Optimization of membership functions to fuzzy logic controller for controlling liquid level using genetic algorithms
- M. A. L. Thathachar and
M. T. Arvind Solution of Goore game using modules of stochastic learning automata
- A. K. Swain and
B. Subudhi Artificial neural network approach for parameter estimation of exponentially damped sinusoids using linear prediction
- B. Srinivasan,
U. R. Prasad, and
N. J. Rao Indirect adaptive control of periodic time-varying systems using neural networks
- M. Prakash and
N. Narasimha Murty Feature selection to improve classification accuracy using a genetic algorithm
- K. Rajaraman and
P. S. Sastry A parallel stochastic algorithm for learning logic expressions under noise
- T. N. Nagabhushana and
H. S. Chandrasekharaiah Adaptive fault diagnosis of large interconnected power networks using genetic algorithms
- P. K. Dash An intelligent hybrid scheme for time-series forecasting of electric load
