

**Journal of the Indian Institute of Science
Bangalore 560 012 India**

(Section A: Engineering and Technology)

Volume 65

January 1984

Number 1

CONTENTS

Hydraulics

- V.G. Kulkarni,
K. Sridharan and
A. Siva Reddy** Steady salt water intrusion into coastal confined aquifer with inclined outflow face 1

Hydrodynamics

- R.K. Lodha and
V.H. Arakeri** Observations of tip vortex cavitation inception from a model marine propeller 11

Short Communication

Instrumentation

- S.Chaudhuri** A technique of temperature measurement using wire sensor 21

- Book Reviews** 27
