

**Journal of the Indian Institute of Science
Bangalore 560 012 India**

(Section B: Physical and Chemical Sciences)

Volume 65

February 1984

Number 2

CONTENTS

Hydrodynamics

- A. Chakrabarti and V.N. Nalini Water pressure on a broken dam during earthquakes 1

Fluid Mechanics

- D C Sanyal and S K. Roy Chowdhury Magneto-shear flow past a cylinder of section bounded by two circular arcs 9

Solid Mechanics

- Y V. Rama Rao and K.S. Sarma Generation of SH type of waves due to stress discontinuity in a poroelastic-layered medium 21

Vibrations

- P Biswas and P Kapoor Non-linear free vibrations of triangular plates at elevated temperatures 29

Short Communication

Topology

- S S. Lakshmi An alternative definition of local connectedness in bitopological spaces 39
